What were the two best things about the session?

- Interactive Nature
- Free
- Range of topics
- Relevance of topics
- Relevant to needs
- Interactive
- Open discussions/Q&A throughout sessions
- Case studies
- Very GP/ED focused (rather than being specialist) =
- Adham's top tips
- Rhiannon's talk
- Relevant
- Easy to understand, correct level

Thank you for your feedback. Please hand this form in before leaving or post to the ED Secretaries
www.i3em.yolasite.com

What were the two best things about the session? (continued)

- Case studies in all sessions
- Resp in children talk
- Case discussions
- Safe environment for discussion
- Good relevant topic
- (lack) of cost
- Good idea bringing the appraisal forward
- Wide range of interests covered
- Well presented
- Diverse range of teaching styles

What two things about the session would you like to see improved?

- More cases
- Focus more on primary care
- Can't think of any
- Cover more topics in the day
- I3EM has lost its "GP" label – is there some way to keep this focus
- Reducing length of each topic to accommodate more topics

Other Comments:

- Thanks, very useful day. Difficult to fault!
- Very interesting – holds your interest & relevance
- Thank you!
- Increase number of events during the year = really really useful!
- Amazing course, good knowledgeable teachers
- Very good session
- Thank you
- Superb course! Thank you so much

Overall, How would you rate this event?

Unsatisfactory	Needs Work	Satisfactory	Good	Very Good	Excellent 63%	Outstanding 37%
