Overall, How would you rate this event? (please circle one)

Unsatisfactory	Needs Work	Satisfactory	Good 13%	Very Good 7%	Excellent 80%	Outstanding
----------------	------------	--------------	-------------	-----------------	------------------	-------------

What were the two best things about the session?

- Cases and talks on common eye emergencies.
- Nice pace and focussed at the right level.
- Very good slit lamp demo.
- Good to go through cases with pictures.
- Eye complaints presenters.
- Practical sessions.
- Revision of red eye conditions
- Specialist's talks / questions and answers.
- Focus on skills/practice with skills station and example OSCE
- Getting familiar with slit lamp

Thank you for your feedback. Please hand this form in before leaving or post to the ED Secretaries
www.i3em.yolasite.com

What were the two best things about the session? (continued)

- Discussion re: meds in ED eg. local anaesthetics.
- Very practical, real life flows; Adhams reassuringly practical/realistic.
- Cases ad slit lamp.

What two things about the session would you like to see improved?

- More definite plan/timetable agreed between organisers.
- More chance for slit lamp practice, if ever done again this would be better taught in the morning so people could practice over lunch.
- Some repetition of presentations.
- Shorter breaks to compress day.
- Half day almost exclusively for ED.
- Nothing
- Shorter breaks – finish earlier (appreciate usually do but couldn't today)

Other Comments:

- Excellent session.
- Apologies missed some of the teaching so unable to comment. Enjoyed the bits I saw.
- Really liked the critical appraisal part as I don't have a chance to appraise in a group format.
- Thanks.
- Thanks, free course but worth over £100.00 for the day.
- Really good topics, good amount.
- Cost £10 - £20.
- Excellent thank you.
- Value (as requested) - £150.00.
- Thank you for organising.
